THE GREAT RIVALRY; Or, WHO SHALE CONTROL THE NORFOLK SHOE-MARKET, AT WHOLE-SALE?—Some years ago the Proprietor of the famous Ladies' Shoe Saloon put in his claim to do a large share of this particular branch of the Shoe business, by importing one of the LARGEST STOCKS OF BOOTS AND SHOES which had ever been sant to Norfolk. Since then, at each which had ever been sent to Norfolk. Since then, at each successive season, our stock has gradually increased until the present time, and now we do a larger business than any other heart in E. the present time, and now we do a larger business than any other house in Eastern Virginia.

The Ladies' Saloon was first established about twelve years ago, and the Store has been repeatedly altered and enlarged to make room for Mr. ADDINGTON'S increasing trade, until now the old Store can be no longer enlarged. He has recently built for himself one of the largest Stores for his business in the United States.

The New Store is four times as a large on the old. The New Store is four times as large as the old one, so that hereafter we shall be prepared with the goods to do the largest Boot and Shoe Trade done in the State of Virginia. (A complete description of this splendid new Store will be given about the 15th of July, when it will be opened.)

At the commencement of each season we have on hand from \$80,000 to \$100,000
worth of BOOTS and SHOES, while we constantly receive heavy shipments of goods during its continuance. Our success has indeed been signal, and why? Because we have always conducted our business on equitable principles, mutuly benefiting the seller and the buyer.

This success is truly flattering to us, insomuch we intend to make still larger additions to our stock, and therefore invite all Country Merchants and Shoe Dealers to come and deal for the future with us at the new store. HUNDREDS OF MERCHANTS have already availed themselves of our invitation, who return and buy goods at each season, saying, "they can do better at the LADIES' SALOON than they can do at the North." We guarantee to sell at least 5 per cent, less than others, and to sell goods which will suit the retail trade of Virginia and North-Carolina Merchants better than any they may purchase elsewhere. The Stock consists in part of—
Gentlemen's Fine Boots and Shoes, of every fashionable variety, Ladies' Gaiter Boots, Jenny Linds, and other celebrated styles, Men's Calf-skin Brogans, of every variety, Boots, Kip Brogans, " Boots, " "
Coarse, Thick Brogans, for Negroes,

Women's Leather Bootees, for House Servants, &c. " Shoes of every kind and quality, Boys' Kip and Coarse Boots and Shoes of all kinds, ses' and Children's Shoes of all kinds, over 100 different varieties. The attention of Country Merchants is invited to this im mence Stock of Boots, Shoes and Brogans, at the Ladies' Saloon, where they can buy every article wanted by them at the lowest wholesale prices, thereby saving themselves the trouble and expense of going to the North for their supplies. health will go hand in hand, just drop in and examine the QUINTON UTLEY'S TOOTH-ACHE DROPS, for the cure of the Tooth-Ache; one of the greatest discoveries of the 19th Century. From the numerous appli-cations I have had for the above preparation, for the last few months, the uniform success which has attended its use, its salutary effects, its power to give immediate relief in the severest cases of Tooth-Ache, I have been induced to offer it to those who may be afflicted, with the utmost confidence in its virtue, and the full belief that it will subdue and give entire relief to the severest tooth-ache without the slight injury to the tooth. I have got (and can get) numerous tes-timonials of its efficacy—some from distinguished gentlemen, and all from as reliable persons as are in the State, a publi-cation of which I deem unnecessary at this time, as one of these Drops when tried in an aching tooth will be worth more to the manufacturer and the patient, than all the cer-tificates from great men that could be procured.

The preparation is known only to myself. Every phial is carefully put up by my own hands in the City of Raleigh, and labelled with directions for use, and may be found at IRA BECKWITH'S Store, on Fayetteville street, a few doors North of the Yarbrough House, and opposite Lawrence's Hotel, where it will be constantly kept for sale either by the wholesale or retail. GREENSBOROUGH MUTUAL LIFE INSURANCE AND TRUST COMPANY.—This Company, as its name indicates, is upon the mutual principle,
and embraces two distinct departments, to wit: Life Insurance and Trust departments. This attractive combination
offers to Policy holders double the ordinary security, without destroying their right to a full participation in the entire profits of the Company. Premiums will be received, in cash, either annually, semi-annually or quarterly, as may be agreed upon at the time the Policy is issued.

In the TRUST DEPARTMENT, or Deposit System, the

payments made to the Company are entirely optional with the Depositor, as regards the amount and the time at which they are made. A party may pay in as much or as little (not less than one dollar,) and as often as may be convenient for him, without any obligation upon him to continue his payments—and may withdraw them at his pleasure. So that, on the plan of this Company, there is created at one and the same time an Assurance payable at death—a fund available in sickness—and a provision for old age.

SALES OF LOTS ON BEAUFORT HARBOR. The Carolina City Land Company will sell to the high-est bidder on their premises, at White Hall, on Monday the 31st day of October next, a large number of valuable Lots.
The lands of this Company front about two miles on the most accessible and best part of the Harbor, and are considered the most valuable on it. They are in full view of the Ocean, and will be handsomely and conveniently laid out for Central or Western Carolina, or the waters connected with the Harbor, without benefiting these lands. The Carolina City Company, aware of this fact, beg leave to say that they have no "agents or drummers in the Western part of the State," or any where else, offering to sell Lots at a low rate to secure influence, but that all the sales of their land are required, by the articles of agreement, to be to the highest bidder.

The gentlemen who compose this Company have made arrangements to improve their lands to the amount of about \$50,000. During the winter and ensuing spring, a large Hotel will be built, Wharves, Turpentine Distilleries and a Steam Saw Mill will be put in operation.

There is excellent clay on the premises for making brick

and also on the adjacent waters; and as experience has proved the importance of fire proof buildings in a commercial place, the board will not allow any but substantial fire proof buildings to be permanently erected on any lands they may To persons who may prefer, the board will lease lots for a term of years. They respectfully invite all persons in any way interested to be present at the sale and see for them-selves. Especially mechanics, ship carpenters, brick masons,

&c., as for them no richer harvest can be promised than the future prospects of Carolina City.

Tenus of Sale. One-fourth cash—the balance in instalments at 12, 18 and 24 months, interest from date.

All letters on business of the Company address to John M. Rose, Secretary, Fayetteville, N. C.

By order of the Board,

T. R. UNDERWOOD, President.
